Amanda was the stepmother to my son Korey when he was real little. He will be 19 in August so it was quite some time ago! She took excellent care of him and loved him as if he was her own and he loved her!!!
I know how much going to the lake meant to Amanda. The peace and joy it gave her, how much she needed that in her life. I get it! I just know she is enjoying many lakes with many views in heaven right now, smiling ear to ear with her beautiful smile.

She was a big part of mine and my mother's life. She was there when I was born, and had been there for me since. This news is so sudden and heartbreaking, but I will never forget the amazing memories I have with her. Rest in Paradise, until we meet again. ❤️
