“ My deepest sympathy to Charlie's family. He and Rena were always willing to help with resident activities at the High Rise. They both served on the Housing Authority Board for many years. So sorry for your loss.

“ I've known Charlie and Rena for over 30 years. They were both special people. He always had a smile on his face and willing to help when he could. I moved into the apartment right next door to them. That's when I first met both of them. They treated me and my kids like family. They will be missed. Both have become angels watching over us to make sure that we are safe and protected. My sympathy to the family. Prayers and healing sent to all.
