“ Sitting at the kitchen table with Al and Camille will always be a cherished memory I have. We would chat about anything and everything and he always just made me feel like I was in my own home! An amazing man that will be missed tremendously!

“ *Camille & family,
My childhood has so many memories of being out on your farm. We once went & dumped a load of wet hay in a ravine & I thought the truck was gonna tip over (not even close-but I'd never felt a truck rock like that!).*

Al was a special friend to my dad and I will always remember the love and support he provided my mom & I when dad passed.

We always loved randomly running into you all at the Tremont Turkey Festival...it almost became tradition.

*Love & hugs to you all.

“ *I remember waiting on Al at the bank. He was always in a good mood, smiling, and fun. He usually referred to me as “Shorty.” Blessings to your family at this difficult time.*
