“ *When I think of Albert Smith, the first word that comes to mind is genuine. Albert was one of the most genuine people I have ever known. He was a true blue American without a fake or phony bone in his body. He was my friend and a respectful neighbor for 10 years, and I will miss him greatly. I am in awe of the love and compassionate care of his family and family friend Faye Hughes during his final days. So long Albert Dean Smith, may you always and forever rest in peace.*
