“ *I worked with Bert many a shift on the ambulance. She was a very nice lady. It's been many years since I've seen her but I'll always remember her as her.*

“ *Aunt Bert was absolutely one of my favorite people and the world is a poorer place without her in it. She was funny and caring and one of the best things about any Culler family function. She had the best heart and was just a wonderful human being. I know her family knows what a special person she was, and I hope they take comfort in that.*

“ Bert was a loving and caring individual, quick to share and to reach out to all around her. I remember the wonderful, carefree times we shared as young couples just starting out on life's journey with Sunday get to gathers at the Mason City Culler farm or at New Salem picnic grounds in the summer. What joyous, fun-filled, happy times. Bert was the one that, over the years, kept those of us left, connected. It seems like yesterday, but the years have passed so quickly and now with her passing there are only two of us left from the Culler Family--Wanda Culler Hatfield and me, Patricia Hildebrand Culler. My two daughter loved Aunt Bert above all of their Culler relatives and will grieve her passing. However, we will all be together again in God's everlasting home and I know she will be waiting with her beautiful smile, saying "What took you so long to get here!"

*Our prayers are with her children, grandchildren, great-grandchildren and her three brothers.*
