“ I want to offer my condolences to Becky, Nancy, Diane and sons especially. You are the ones I know. Memaw was a very special person. She would pick Nancy up from my house after babysitting and we would sit and talk . . . maybe for an hour or so. She was a kindhearted person who would do anything for anyone. She will truly be missed. She loved her family and her animals. This breaks my heart!

“ Pam, LeAnne, Karen, Diane, & Becky, Our deepest sympathy in the loss of your mother. There are times along life's journey that can test the spirit deeply. Though this is certainly one of those times, may you find inner strength and the power of God's love to carry you through. Our prayers go out to you all in the days and weeks to come. God Bless,
