“ *Aunt Jessie was a very loving person. She always took time to talk when I called even if she was busy. Never too busy for family and friends. She was a sweetheart and we be missed very much.*

“ Although the Turner family out West didn't have much opportunity to see Dick and Jessie over the course of their married life, we will always remember her warmth and openness to Dick's family. We know that Jessie made a big, positive difference in Dick's life after Dick left the Navy. We will miss having her in our lives. Our condolences to Jessie's family during this time of sadness.

“ We will miss Aunt Jessie. She'd call me at least once a year, even though I lived far away. She always enjoyed receiving a Christmas card, a note, or a picture of my family. She collected dolls. She shipped a ballerina doll to our daughter, who is a dancer. That possession means so much more now. Hugs and prayers to her family. Aunt Jessie suffers no more. God Bless!
