“ Archie was really a great friend and co-worker. I worked with Archie at the power plant as an electrician and he was a welder and we had the opportunity to work together many times. He was a person who cared about his work and his fellow workers. He will be missed dearly. Sorry for the delay, but I just found out today, October 8, about Archie's passing.

“ A few of my favorite memories of Archie was his smile that would Light up a Room, or when he would play his guitar and sing for us. How much he "enjoyed" watching our dog Brody do some of his tricks, especially when we told Brody to "say his prayers!" I could have not felt any more blessed than to have been able to call you all close friends for all these years. In fact the friendship we all have shared has drawn all of us so close that We Are Family. Lastly, but not Least... One thing Archie used to tell me or say so often that I'd say it was his signature statement was this phrase: "Moderation in All Things!" It still comes to mind and cannot hear it without fond memories of the wisdom within those 4 words.

Archie will surely be missed by all of us who knew and loved him. But we also know he will Always be a part of our lives as his memory will remain Forever in our Hearts until we meet again. God Bless & Keep you... Love & Hugs -- Loretta & David

“ Our deepest sympathies to you Maryellen, Tracy, and Helaina, plus all the rest of the family and friends. We will be keeping you all in our thoughts & in our prayers. May the Presence and Peace of our Lord Jesus Christ be so strongly felt as you say your final goodbyes to Archie. May you find comfort in knowing he was welcomed into the Loving Arms of our Father God and much Rejoicing in the Heavenly Realm. The song "I'll be waiting for You on the far side banks of Jordan..." reminds us the one day we will be reunited with our loved ones who have gone on before us. Sending our Hugs, Love, and holding fast to all the wonderful memories of times we've spent together God Bless and Keep you all in His Care. <3 Loretta & David Carr
