“ *My deepest sympathy to you and your family on the loss of your daughter. I fully understand what you are going through. We lost our daughter, Reiny Inman, in 2009. Always keep your daughters memory alive in your conversations, she will always be with you in your heart of love that you have for her. You will think of her every day and miss her. When you are able, in time, thank GOD for the time that she was with you here.*

For us, we hold hard to the fact that we will see her again and what a glorious reunion that will be.

My heart felt prayers will be with you. May GOD's loving embrace and understanding help to sustain you always. Take Care.

*Michelle & Family,
I was so very sorry to hear of your daughter's passing. It took me a while to figure out who she belonged to, Velva the grandmother gave it away. I didn't even see that it said "Michelle (Lewis) Bryant." I can't even imagine the sadness of losing a child, especially at her age. She was a beautiful girl, I can see you in her. I wish I could have given my condolences in person and given you a huge hug. I will keep Bailie and you in my prayers. I love you. Mary (Fletcher) Bares.*
