“ *I was SO sorry to read of Barb's passing. I taught music at PORTA for several years while Barb was driving the bus. We always asked for her when we could. She was so helpful, efficient, prompt, happy, and just a wonderful person to be around. Students and adults alike all loved and respected her. She was a positive influence on all who knew her. She has already been missed!*

“ Ed, So sorry for your loss. I went to school with Barb from grade school on up to high school. There was a group of us girls that ran around together and Barb always had a car so all of us girls would jump in Barbs car and go riding around, we always had fun. Barb had horses and I remember one time she put me on one of her horses and I was scared, never had been on a horse before but she made it fun. Barb liked everyone and everyone liked her, when we graduated then kind of lost track of her then we got connected again, and I am glad we did and kept in touch, Barb was a great friend all thru the years, never forget her.
