“ *Jerry, I was so shocked and very sorry to hear of Barb's passing. She was a sweetheart and very funny! I'm glad I had the privilege of knowing her all these years and the pleasure of running into both of you on occasion! It was good to talk with you guys when you were taking care of Harry's yard. My prayers are with you and your family, and with Barb.*

“ I knew Barb since Boatman School Day. Spend time at Barb's house on the beach - fond memories - especially the sleep overs - even Al was there to torment us. Sorry to hear of Al's passing. Miss you Barb.
