“ *My deepest condolences to your family. I was shocked and saddened to hear of Ben's death. This photo is precisely what I picture when I think of Ben. I knew him for a number of years both from NG drill & the CSMS. Ben had a great sense of humor and always seemed to be in a good mood. His eyes would light up when he said or heard something silly and that goofy giggle would leak out. I know he'll be terribly missed by us all.*

“ Greetings to our good friends the McCoy family. We have lots of fond memories when your family babysat our family when I did substitute teaching. Our kids had lots of fun times together with you all. It was also fun to come back as all of you kids got older and we caught up on the latest news. Ben you will be missed by all of us. We pray for all of you. God Bless you all. The Jim Buchanan family
