“ *So sorry to learn of this devastating illness that grabbed such a sweet, caring, young and vibrant young woman and friend. We were SIU alums and the last time I saw Beth was at the State Fair. She looked fabulous and filled me in on all her family and was having a great time. I am thankful that this is my last memory! Sending all of her family my love and prayers during this most difficult time.*

I pray for God's comfort and peace for the Schafer and Koch families during this most difficult time. Beth was a wonderful fun, loving person and I cannot imagine your pain and sense of loss. I am so very sorry and do not understand why such painful things happen to people. I remember Beth as Greg's big sister when I dated Greg in high school and beyond; I admired her gentile and calm demeanor. I even bought her Ford EXP as my first car back in 1988. She had the prettiest clothes and best perfumes; I loved her smile and laughter. She was the most caring dental hygienist. I am so sorry that you have to go through this.

I chose the periwinkle candle because it is said that ancient cultures used color to heal. The purple family was to heal skin problems and the blue family was to soothe illness and pain. The timing of this, close to Mother's day is especially sad and painful. May God help Alex and Clay to minimize their pain and sadness and cherish her loving memories as "mom," and for Marilyn, may God wrap His loving arms around you...Moms are not meant to bury their children. I send my most sincerest and heart-felt thoughts and prayers. Stephanie (Turner Freer) Hastings.

The news of Beth's death came as a shock. There isn't much one can say to ease your sense of loss, but I want you to know my thoughts and prayers are with you in this time of sorrow.

I remember playing Barbies with Beth when we were young and just enjoying our friendship while growing up in Petersburg together.

May a lifetime of wonderful memories give strength to you and the family in the days ahead.
