“ *Oh Judy and Mark, I am so sorry to just now over a year later hear about your mom. I don't do facebook much and so I was totally shocked when I saw the picture posted and you were talking about her in the past tense. I am so sorry as I would come if I'd known but knowing your mom, I'm sure she had more people than Carter has pills there anyway. I remember playing badminton with your mom and other family years ago and how good she was. Please keep in touch. My email is tfoss11974@aol.com*
