“ *I did Betty's hair and nails for more years than I can remember.. She was very special to me and I will always cherish her memory.. Her family was her whole world and I know this is a huge loss for you all. I loved how young at heart Betty always was. She was such a wise lady and had taught me many lessons. My heart feels bittersweet. She will be missed but she is with her sweetheart now. Dick was the love of her life. May you rest well, my dear friend, Betty...
Fondly,
