“ *My parents, Ray and Pat Combs, were friends of Floyd and Betty Jane's for many years. After my father's death in 1991, my mother lost the closeness that they once shared while Dad was alive. My parents and sister are buried near your dad and, whenever I visit my parent's and sister's graves, I always walk across the road and visit your father's grave, as well. My thoughts and prayers are with you through this difficult time of loss. Jan Sams*
