“ *Betty and Ray were great neighbors, we enjoyed them so much and really missed them when they moved to Taylorville. We loved their "fish" stories and Betty's baking....it was always "Here try this". Loved em both*

“ *Betty was my trainer when I first started at the bank. She knew the business inside and out and was the best trainer I ever could have hoped for. She must have done something right as I am still here 34 years later. I will miss you Betty*
