“ I am so very sorry for your loss. So many fun memories, all a bit 'different' from school, church and youth group trips. Her presence enters my thoughts so very often. We rode up the St. Louis Arch together (once) and she loaned me 'In Cold Blood' when my mother wouldn't . . . could go on . . . hope this brings a bittersweet smile. “ *Our hearts go out to Rick and the family. We pray that the Lord will comfort them all during this time of need. Since Bob and Frankie lived across the street, I saw Rick n Bev and their family grow up. It is so hard to lose a loved one. Bev helped our family when we lost our parents and some other relatives. She was a loving, sensitive person that will be missed by every one of us. May she rest in peace.*

“ *My heart breaks with the passing of Bev. She was a dear friend to me. She was also a work mentor, a comrade, a drinking buddy, a crossword junkie (who got me hooked), a fiscal guru, and an overall goofball that I shared many laughs with over the years. It was my immense honor to know her. Her laughter alone was enough to make you laugh. I can still hear her loud voice in Budget when a bigwig would do something dumb (no names) and all of the colorful expressions that were sure to follow. She made us laugh and lightened the air for us all. I will miss her so much.*

My sincerest sympathies to Rick and the kids. You all were the light of her life; never forget the love she had for you ❤️. Trust me when I say she was beyond proud of you all. May peace fill your loving hearts through this difficult time.

Love, Karen Pape
