“ *I become one of Bev circle of friends about 2 years ago. She was in the 7:00a.m. Bible study I attended. She also helped with the outreach to the community in the Friendship Meals. I was her ride to church this past September. She spoke about her family and some of her life's adventures in particular the ones in Alaska. We had a common interest in cats. Despite health problems she very much wanted to be apart of church activities.*

My name is Angela(Kiser)Potter. I was Beverly's great niece. I was saddened to hear of her passing. I just found out on Saturday December 16th. I have wonderful memories of time spent with her and Phillip at their dry cleaning business and on trips out to lunch.
