Matt, Diana and family, Prayers and my sympathy to you and yours. It was not too long ago that she was talking to me from the back seat of Diana's car. She was very positive and had a great smile on her face. I will always remember her singing in church and her beautiful voice. She was also very pretty! I admire her strength in fighting the "cancer" bug and pray that she lost her battle in peace. Take care, Love - Ellen Standish
