“ I worked with Bonnie for many years at the Department of Pubic Aid. She was a very kind person. My best memory of Bonnie has to be the time She and I went to a friends wedding. She picked me up and after the reception her car wouldn’t start. My Dad came and got us and I took her home. We laughed about that a lot. Tell Becky hi when you get Heaven. You will be missed Bonnie 💕💕. My condolences to the family
