“ *I am so sorry for your loss. I have one memory of Brad that I have never forgotten. Your mother was our YWA leader from church and we had our meetings at your house. You boys would close Brad up inside a kitchen cabinet, and I don't think he minded at all! Thinking of your family at this difficult time.*

*Brad was my plumber when I built my house at the lake in 1992. Not only did he do a great plumbing job, he helped me resolve several problems that were caused by another contractor. I was so impressed with Brad that I gave him a bonus. Brad said that he had never received a bonus before. That humbled me.  
I had the utmost respect for Brad's work ethic and his integrity!*

“ My deepest sympathies to the Purdy family. I had the pleasure of being one of brads many friends. His ability to light up a room made him so attractive. His ability to forgive his neighbors made him Christian. His ability to teach others made him a leader. I loved him in his life and in his death. He walks with his family and his god now....finally peace for a tormented soul who was able to love deeply and touched my heart in many ways. I love you buddy and enjoy eternity with those who have gone before us. See you on the other side my friend..B
