“ Today is two years, they say the pain of hurting never goes away. It's true I miss you so much. Your were my best friend. I could talk to you and always had fun adventures with you. I miss you terribly.

“ I was suprised to read that Brenda had passed away. I want to extend my sympathy to her family and relay my thoughts. Brenda was an excellent, caring CNA. I think I hired her 2 times. She usually worked in the hall close to my office. Before public health survey I would always be around making sure everything was in order and Brenda repeated reassured me and tried to calm me. Enjoyed working with her.

“ I only knew Brenda through the nursing home in MC. She took such good care of my mom when she was there. I so appreciated that.
