“ *So sorry to hear about the loss of Brian. He and I shared a desk in Biology at NHM high school. I can say I laughed the whole year. He was funny, caring, had a big heart and loved his family very much. My heart goes out to his family. Sending prayers to everyone during their loss of this extraordinary human being. Rest in Peace Brian you will be missed by many.*

“*Brian always had a smile. One of my favorite memories is of Brian sticking glue up his nose in chorus. He pretended to sneeze a very messy sneeze, which sent dear Mrs. Blaum, our teacher, into a panic as she searched for a box of tissues.*

Brian always made us smile, and now he is entertaining the angels.

I will miss him.

Rest well, Brian. May God bring comfort to those left behind.
