

Brian Matthew Satorius "Opie"

November 9, 1973 - August 20, 2021

Brian Satorius, known by many as "Opie", 47, of Petersburg, passed away tragically in a farming accident on Friday, August 20, 2021. He leaves behind his loving wife of 14 years, Brianne (Blout) Satorius, and their two children, Ethan (10), and Ava (6). Brian was born November 9, 1973 to Marsha (Kemper) Satorius of Petersburg, and James Satorius of Petersburg. Also surviving are his sisters Jennifer Satorius of Petersburg (Scott Hewitt), and Ashley (Satorius) Rutz (Matt), of Zionsville IN, a niece Raegan, and many other aunts, uncles, cousins, in-laws, and countless friends. He was preceded in death by his brother Michael, and his grandparents.

Brian was a true hometown boy. He was a graduate of PORTA high school where he participated in many sports and FFA. In recent years, he has been involved in the Friends of the PORTA FFA alumni group. He always looked forward to his class reunions and keeping tabs on old friends through his wife's Facebook account. Brian was an alum of 4-H where he enjoyed showing hogs. He has passed along that tradition with his son, who had his first county fair show this past summer. Brian graduated with his Master's degree from the University of Illinois, and his Bachelor's degree from Western Illinois University. He was in an engineering role at TeeJet Technologies, working with GPS products for over 20 years. His job took him all over the world to install, repair, and educate, making good friends along the way.

Brian was an avid sports lover. University of Illinois Men's basketball was his favorite, with Green Bay Packers football as a close second. He and the family could often be seen in the backyard playing one sport or another. Passing on his love and knowledge of sports to his son, especially, brought him such joy. They would talk about his sports, how to improve, and plans for his next game. He has also groomed him to yell equally as loud at the tv during ball games.

Brian was a true advocate for agriculture. Farming was his passion. He was growing our farming operation, always finding ways to improve, while also bringing new opportunities, ideas, and education to others. Brian loved being a part of Farm Bureau, serving as the president in Menard County for many years, and being in various specialty groups on the state level. Brian was an alum of the Illinois Ag Leadership program where he made many great friends.

Brian had a strong faith and relationship with God. He was very active in the Central Presbyterian Church and has served in many roles.

Everyone who knew Brian loved him. He was so full of life. In a social situation, he could always be counted on for a "great idea" or for a hilarious, sometimes 20 year old story to make people laugh. He was a family man; always being goofy together and down for a good snuggle. His daughter says "he was the best tickler" but that she is the better singer. He loved his family and friends fiercely and had a genuine love of this community. Brian's absence will be felt forever, but his legacy will live on in his children and in all the lives he has touched. We are all better for having had him in our lives. Gone too soon but loved forever.

"The pain you feel is the price you pay for having had such a special person in your life".

“ I have not seen Brian since he graduated from PORTA. I remember him as a fierce and worthy competitor against us when I was coaching at Athens. His dad, Jim, was so proud of him and his accomplishments. I know the world was a better place because of Brian. Now heaven will be better.

“*Brian. Opie. Hannibal. One of my oldest friendships. Perhaps my first sleepover. Though we rarely saw each other as adults, this one is hard. Because you were everything good about where I come from, and where I will always call home. You were the Jimmy Chipwood in Hoosiers, if not the Gene Hackman. You are what I love and respect about small towns and about Central Illinois: God, family, pride in community, hard work, easy smile, helpful hand, honesty, sincerity, actions over words. Your work took you around the world, but your heart never left Menard County. That whole area bleeds today because it has lost one of its best sons. But it's a better place because of you. What better measure of a man's worth than the lives he touched in a positive way? By that measure, you can look down and surely see that you were invaluable. You are and shall be sorely missed, old friend.*

“ We were working on something at the sound board and standing in the back of the sanctuary at Central Presbyterian. Out of the blue, Brian got a bit misty and very quietly said, "One day, I wanna walk Ava down this aisle."

Oh, God, our hearts are broken. We look to you to put us back together, knowing the fissures will always remind us of loved ones we miss. Be with Brianne, Ethan, and Ava, with Marsha and Jim and so many who grieve because they love. Amen.

I'm having trouble finding the words. Praying for his wife and children, Jim and Marsha! Brian was such a fine person! He is the 9th former player that has gone way too soon! I will miss you as I miss the others! Hard to understand but I know God has a plan for all of them!!! I hope you all get together and play some hoops and know how much you are missed!!!!!!
