“ *I remember when he was thinking of going into nursing and asked what I thought about the medical field. I felt special that he took my words to heart and joined such a great profession. I had no doubts he would be an amazing nurse and it is a loss to the nursing community. That man had a great heart. So sorry for your loss.*

Carl was a wonderful nurse and co-worker. He was so caring with the residents and always had a smile on his face. I will remember him showing me photos of his family on display for staff and residents to see when he was "employee spotlight" of the month. He was so proud of them and spoke so loving about his wife. Carl was one in a million.
