“ Carole was wonderful with my son at Pied Piper. He had been very ill and we were unsure how to proceed with his education. Carole and Shelby helped me so very much. Carole though took a special interest in my son and actually cried when we needed to transfer him to a different route in the school system. Carol told his new teacher to take very special care of him because he indeed was very special as her tears ran down her cheeks.(and mine) That was about 25 years ago. Fly with the angels Carole. No one person could deserve it more

“ Carol created my wedding bouquet... and in honor of getting married on Valentine's Day , it was in the shape of a heart. She had never attempted this before... but was gung ho to give it a shot. She aced it.. it was absolutely beautiful. Although my marriage did not last, the flowers are still special to me... as she was. Rest in Peace beautiful lady !
