“ Carol lived next door to us for the past 6ish years. She immediately recognized my youngest daughter as one of the babies in the Level 2 Nursery at OSF that she took care of. She had a special place in my heart from that moment forward!

*My two daughters and I enjoyed spending time talking to Carol whenever we were outside. They absolutely adored her! She was a feisty one and we loved her for who she was!!!*

*We also shared our love of dogs with her. Anna and Andy were the loves of her life. She was the best dog mom ever!!!*

*Until we meet again Carol. We love you with all of our hearts! Jenny, Jaelyn & Jacey*

“ Carol and I have been friends for many years . She was one of the strongest people I know she faced many tragedies head on and gave her all. She loved to go to the movies and loved a good steak or lobster but mostly she liked the company. She was a good friend and will always have a special place in my heart. Until we meet again.

“ Carol was the best person. She would go with the flow. Her laugh was genuine and make you smile. I was with her the first time I went to Vegas and believe me she made it memorable. God bless you Carol and enjoy seeing your daughter. You will be missed.
