

Carroll Frank Cline

November 11, 1928 - September 21, 2020

Carroll F Cline, age 91, died peacefully on Monday, September 21, 2020, at his home with his loving wife Imie, and his devoted daughters, Phyllis and Patti by his side. On his bed table were two ears of corn and a bean stalk. He was comforted in knowing that he was going to have a good harvest.

Carroll was born November 11, 1928, the son of Frank and Mattie (Case) Cline in Cass County, Illinois. He married Imogene Schafer on October 1, 1946 and they enjoyed 73 years of marriage. He was a member of the St. Paul's Evangelical Free Church, where he was on the board and many committees. Carroll freely offered his service to the church for over 70 years. A man that was dedicated to farming and rural life, Carroll served as head of the board for the Agricultural Stabilization and Conservation County Committee. He served as a 4-H leader for Rock Creek, a 4-H leader in county wide development, and was a 4-H council member. He was an officer on the Menard County Farm Bureau Board. He was a member of the Regional Board of School Trustees for Menard, Logan and Mason Counties. Carroll served 8 years on the Menard Electric Cooperative Board, and served many years on the Rich-Plains Farmers Co-op Board. Carroll was on the Advisory Board of Sunny Acres and Country Side Estates where he and Imogene volunteered for many years. In addition to farming, Carroll was a Dekalb Seed Corn dealer for 37 years. Carroll's interests were many, but one was a constant, he was a lifelong St. Louis Cardinals Fan.

Carroll is survived by his wife, Imogene, two daughters, Phyllis (husband Richard) Cheaney of Springfield, Illinois, and Patricia Conway of Flanagan, Illinois; two step grandchildren, Christopher Conway and Catherine Donegan; and three step great grandsons.

Carroll was preceded in death by his parents; one sister, Marjorie McGinnis; and two brothers, Eugene Cline and Kenneth Cline.

“ *Condolences to Imie, Phyllis and Patti. Carroll will be missed but never forgotten. Growing up the Cline's were family and still are. Remember the great times with 4-H. Carroll always had some great stories about farm life. His best story was when he drove right into a hive of bees, knowing it was there, and jumping off the tractor so the bees would attack the guys on the wagon while picking up bales of hay. My Uncle Bill was one of the guys on the wagon! Must have been fun!!*

Blessings!

“ *As a dedicated farmer, father, and community leader, Carroll gave me 4-H which gave me a sense of community and personal responsibility. I am forever grateful for that foothold into life and the real world.*
