“ *Jeff and Lori,
My thoughts and prayers are with you and your families. Aunt Catherine was a wonderful person and one of my most favorite people. I am so sad I can't make it to the funeral to be with you and your families. However, I will be remembering all the fun times we have had together playing cards, celebrating Christmas at Aunt Catherine's, at everyone's weddings and at the "cabin". Almost every family event I can remember brings with it fond memories of your Mother being there with all of us... and that is how I am always going to remember her!!!*

In our lives we touch so many lives... as your mom did while we had the pleasure of having her at Riverview for such a short time. and then in death as they pass on to eternity so many lives change. Remembrance in your moms life's passing is the truest form of LOVE one can give. For a memory will NEVER die & the love you shared will live forever in the heart of all your family and lives she touched. Love you Lori... Prayers for your family during this time.

When I think of your mother I think of Chocolate. She loved her chocolate. The last time I stop in for visit I brought Chocolate Brownie we had them all over her face on the table and I laughed at her. She smiled, I think she thought it was funny to. Then they gave her a bowl of jello to eat. I feed it to her and told them WHY did you give her jello and walk away. She was just smiling. This is the way I will remember her.
