“ We worked together at New Central for several years. She always had a listening ear, a wonderful smile and a friend to all. She once rented us their condo in Branson ... and my family had a wonderful time there. We even had little get togethers at her house occasionally. The years go by but I hold these memories close to my heart.

I did not know about Cathy until this evening. I worked for Cathy & Dick at Roat Construction & Plumbing. I'm so sorry my sister just texted me & told me tonight. I would have been there. I loved her so much. I hope her kids will forgive me. She was a wonderful Christian lady. I know I will see her again someday.
