“ Gina,
We just returned from northern Wisconsin fishing with Michele and her husband Allen. We were so sorry to read of the passing of your dad. We have so many wonderful memories of your parents and the years living in Glorianne Acres..... We missed them so much when the moved to Spring Lake. Your dad was one of a kind..... he was generous, kind and caring. We remember all the wonderful times... especially Halloweens when he would hand out ice cream cones and tell the “Trick or Treaters” that the Murphy’s or the Weghorsts would fill it with ice cream and the straws he would hand out and say we would have the soda!!!! We remember his huge gardens that he put in every year.....the hot peppers he grew which I always thought I needed to try....the home made wine which I over did at times!!!! The harvesting of the garlic which smelled the whole neighborhood up....evenings when your dad and Dick would sit on the picnic table and drink a “few” beers...the labs that we loved, Pete and Pepper..... the bridge your dad built over the fence so the boy could retrieve the ball that was his over the fence..... So many wonderful times..... God Bless all of you..... “Rest in Peace dear friend and know that you will never be forgotten” Love Donna and Dick
