“ *Charlotte, One of my best High School friends... We were inseperable for a year and have done so much together. We taught each other and learned together about life. I've told many folks how we grew up in the Four Corners Pub! (In fact, we still have a booth from there, reminding me of you often.) I tried very hard to find you for our 40 HS reunion, and wish I could have. We lost touch after school, and now forever. Rest well my dear Char. I love you. Linda (Leverenz) Herdering*
