You are one of the sweetest, most loving people I know. You were always there when someone needed you. It didn't matter what it was. We were so glad you and Dave finally decided to give flying a try.....we had an Awesome time in Vegas. You and I turned 15 again. I truly love you and Dave and will have a hole in my heart always.*

“ Dear Doctor dave, You were such a wonderful person to learn chris's dressing changes back when she had surgery. I was her home care RN and I loved coming to see you both. This was after the tragic events with Heather. Chris was very brave and tried to be very strong. I am truly sorry for your loss, for both your son and now your wife. I can truly say she was my friend as well as a patient.

“ Chris was one of the kindest, sweetest, softest and most beautiful women I know. We met working at County Market when I was a teenager. She helped me through what I thought then were tough times. She was always there to listen and make me smile. Her soft voice, beautiful heart, smile and giggle is something I will never forget. She, Heather, Mike and Dave all became a forever part of my life and my heart. I have kept my friendship with Chris over the last 20 years and would get the same giggle each time I called to let her know how much I loved her and Dave and just check in. Dave, all my thoughts and love are with you, her family, and friends. GOD gained another amazing and beautiful angel.
