“ Sorry to hear the passing of Dolly. She was a Great part of our Activities, from her love of music and singing, exercise, games, even dancing just about all activities. I found her to be a woman of great faith and her religion very important to her. Always attending all Catholic services at our Home, LCNH. She had amazing stamina and fun to be around. A very nice lady and she will be missed! I'm glad to have known her and will always smile when I think of her.
