“ I have many happy memories of Aunt "Nadine". The smile that was always on her face and being ready to make us all feel welcome whenever we visited. I regret the last several years when I lived so far away and didn't have the opportunity to see her, but we always traded letters at Christmas and birthdays and were able to keep in touch that way. Although we never traded her name as Clarice!! I know her "kids" will miss her terribly and I understand their heartache. They were able to keep her for many years and know she loved them as we all loved her.

My love, prayers and thoughts are with you all

“ *Nadine was such a wonderful friend. She always figured out what the problem was or who the problem was and how to solve it....then she solved it. She was an absolute delight in our lives and we shall remember her forever. She was kind to everyone - man or beast. And while I was sure I knew her well this is the first time I have ever seen or heard of Clarice! Our love to all. You have wonderful memories of both your Mom and Dad. Good people!!*
