

Cleo Calvin Clark

July 28, 1966 - October 24, 2024

Cleo Calvin Clark passed away on October 24, 2024. He was born feet first into the world on July 28, 1966, the son of Chester Clark, Cleo lived 58 years to the fullest. He worked for 22 years at Cutler-Hammer in Lincoln before taking the truck driving industry by storm. Cleo drove over a million miles all across the US, something he was very proud of. Cleo loved spending time working in the garden, watching his 3 dogs play in the yard, picking up seashells on the beach, riding his motorcycle, and attending his grandkid's soccer games and chess matches. Cleo never met a stranger, as any gas station employee or barista in central Illinois could attest. He was always ready with a funny story or witty advice. He was absolutely a memorable character and he will be missed by more people than we will ever know. Cleo is survived by his wife of 38 amazing years, Ruth Clark, his 2 daughters Megan Clark (Javier Moreno) and Sarah Shawgo (Ben Shawgo) and his legacy, 4 grandchildren: Ryan, Nora, and Miles Shawgo, and Stella Moreno. He taught us many things, chief among them, "If you can't dazzle them with your brilliance, baffle them with your bullshit." We plan to make sure The Legend lives on even when, "it's a brutal old struggle for the biscuit." We will miss you.

A Celebration of Life will be held on Saturday, November 9, 2024 at the Easton Fire House from noon until 3:00 p.m.

Memorial donations may be made in Cleo's name to Pets Without Parents.

“ Thank you to every one of you who have called, sent cards, left messages and memories here. The loss of our Legend is more than we can bear right now. These comments and words of love and care for Cleo and who he was give us so much comfort! Thank you for being a friend of Cleo's, he certainly loved meeting and chatting with people, he loved trucking and being able to drive all over this country! He was a larger than life personality and yet he was so incredibly proud of our girls, loved our son in laws and adored being Poppa to our 4 grands. There was nothing better than having my driver to go watch the girls play soccer, or spend the day watching Ry at chess tournaments. Traveling was always interesting because he never really needed a gps and he knew all the best places to stop! I will miss our yearly trips to Sanibel with family! It's so unfair that he was so looking forward to retiring in 2028 and immersing himself in gardening, traveling and grands. He will hopefully be keeping watch over us from heaven. He was truly an amazing man and we will forever love and miss him and all his legendary stories!💔🌹

“ *Ruthie, Sarah, Megan and family, my heart breaks for you all. Cleo was an amazing man who loved his family (including the furry ones) and God with all his big heart. I never met him in person, only on the phone through trucking and Facebook, but, he was always respectful and full of life. Reading of his death hit me hard, because I realized that there would be no more wonderful messages about his daughters, grandbabies and you, Ruthie, the love of his life. I will miss his greetings every holiday, and his humorous comments on my birthday because I was older than him! I know he is home with our Lord, whom he loved with all his heart, but he will be missed by every life he touched. You all are in my heart, my thoughts and my prayers.*
