“ *Mark & family - Was so very saddened when we heard the news of Connie's passing. Connie and I had the best visit two weeks ago. She loved you all and everyone around her. Her ability to bring joy to so many people with her quick wit, smile, and bubbly personality will be remembered by many many people. Take comfort in knowing that she will be with you forever in your hearts and minds. She, Mrs. Jurgens, and Megan are already beginning their loving family reunion. - Casey & Tricia Duncheon*

“ I so enjoyed working with Connie while she was at the bridge. Even when I knew she wasn't feeling up to it she still gave her best.

I thank you Don and all the people at The Bridge for your dedication to helping people return to their homes and lives. Connie never gave up and when asked how she was doing she would often say "I'm getting there". It broke my heart every time she said it because I knew she was losing the battle. She is one of the ones who did not get to go home.
