“ *Such a caring kind lady. I worked with her as an agency nurse in Petersburg a little bit and I just loved talking to her at night at work. She treated me kindly and just like one of their own staff. I've missed those talks we had but I'm so grateful I was blessed enough to cross paths with her even thou it was just a short time. I'll never forget the conversations we had such a sweet caring person she was. Condolences to the family and may God bless 🙏*
