“ *Darla was a good friend and neighbor for about 25 of the 35 years she lived next to me. The reason I say that is because Darla kept to herself allot. She wasn't one to get out and visit with her neighbors. For some reason one day we started up a conversation with each other. After that day Darla was a friend. She often told me she didn't know what took her so long to open up to me, but she finally did and we were very good friends from that day on. She said, and I quote, "I don't know why it took me 10 years to make you a friend." YOU'LL BE MISSED, JUDY HORNER*
