“ We miss you so much dad! Dominic is so big now and you would be so proud and amazed by how smart our boy has gotten. I can't believe how long it's been without you. I am 25 years old and I still need my dad here but I know I have you here in my heart. I love you so much dad.

“ My dad was such a blessing to have around! I miss him so much. This just does not seem real, I am sure it never will. As I read everyone's comments I realize how loved he is and how much he has effected everyone's hearts in such a great way! He was always so happy to be around people he loved! I am so lucky to have him as my dad! He will forever be in my heart. I thank him so much for all the lectures he gave me because he cared so much. He was an amazing grandpa, always making my son laugh and smile when he seen him! Rest in peace dad. I love you too the moon and back. To the best dad in the USA! Love, Your Daughter Jamie ❤️
