“ *The Champ has passed but will not be forgotten. Dave had a great sense of humor and was probably the funniest person I have ever had the honor to know. He was a man who loved his family, his country and all the Chicago sports teams...especially those damn Cubs.*

He was a great neighbor to my father-in-law for many years and my son and daughter-in-law for the last 3 years. They would raze about the Cubs and Cardinals a lot. Fortunately my father-in-law was also a Cubs fan because it would have been very difficult to take Dave's razing when the Cubs finally won the World Series in 2016. I think Dave flew that damn W flag until it wore out.

I have had the great pleasure of playing poker with Dave and the rest of our poker guys for many years. When he would win a big hand he would always say "well, I've been practicing". If I heard that once, I heard it a thousand times from him. When I think of Dave it brings a smile to my face. Poker will never be the same without him, but I bet every time we play there will be at least 1 Dave the Menard County Champ reference.

Champ, thanks for the memories!

“ I'm Sad to hear of Dave's Passing. He and I were friends since the 3rd grade. He taught me how to fish as a youngster, we were roommates together in College, and he was Best Man at my wedding. It doesn't get much better than that! My sincere Condolences to Jane and Family. While miles have kept us apart for many years, Memories of our youth, and there were many, will be Cherished forever. God Bless You Dave, and "Thanks for the Memories".
