“ *What a great picture of David....he was such a good friend and neighbor. He loved anything history, books, antiques, nice clothes, trees, puppies and trying to make Mason City history stay alive. He was on our city council for years wanting to make things better for our town. I remember his efforts to get recycling for our town. As a rotary member, he would volunteer to work cooking the steaks at town events. Such a nice man with a good heart. He will be missed by many friends..*

David was a gentle man as well as a gentleman! Extremely knowledgeable and did not ever make someone uncomfortable for not being as capable. I will miss him.

“ So sorry to hear this. I had gone from Mason City for quite a while and lost track of him. We were neighbors when we lived on the Pugh farm just down the road.
I remember David as a sweet, kind young man and always smiling.
Our prayers are with you as you grieve your earthly loss.
