“ *Dean, you were in our lives for a very short time, but you were loved all around this world. You are in GOD'S hands now and he had plans for you and will take care of you until we all get to heaven to be with you. I know that you are with grandpa Dean, so we know you are not alone. Little man, I'm sure you are feeling the love, thoughts and prayers that you are getting. Your parents are the best and you couldn't have asked for better parents. Our hearts are so broken, but we know that you are pain free, and we all have the most gorgeous ANGEL that GOD created. We love you Dean William, until we meet in heaven. Fly High, Baby Dean:

*I hardly got to hold you,
So little time to share;
Too little time I've showed you,
Just how much I care.*

*Miraculous, the bond of love,
God gave to us that day;
Our little boy from up above;
So soon taken away.*

*But the place that you've been taken to,
Is with the One Whose loving care,
Is more than I could ever do,
And it's far beyond compare.*

*Though I would choose to have you here
And love you all my days;
There is Another One Who's near;
To keep you in His ways.*

*A Father Who will love you,
Even more than we ever could;
In His strong Arm, secure from harm,
In a place that's always good.*

*Where nothing bad can enter there;
You'll never feel more pain,
That perfect place where all is fair;
Just sunshine with no rain.*

*And someday, we will see you,
On Heaven's golden shore;
Forever then to be with you
In that great forever more.*

*Till then we're prone to wonder,
What might have ever been;
Had you not been taken yonder,
Where we'll see you soon again.*

*We know God has a plan,
Though it's often misunderstood.
And we'll trust Him all we can,
That His plan was for our good.*

*His ways are not our ways,
His Word sure makes that clear;
Many questions we could raise,
Like "Why can't you be here?"*

*Someday we'll have the answer,
To clear up every doubt;
In that great place, then face-to-face,
We'll see what it was all about.*

*But until then, we'll trust the One
Who placed you in our hearts;
We'll seek His Face and trust His grace,
While we are now apart.*

*Fly high, our precious gift from God,
Shine on us, little boy;
And tell our loved ones there abroad,
We long for Heaven's joy.*

*For when you were taken from us,
A part of us, it's true,
Went up to Heaven with you,
And we long to be there too.*

*Fly high, then, little boy;
We'll do all that we can,
To trust the One Who gave us our son,
When we don't understand.*

*By His grace, we'll make it;
Then together we will be;
Until then, each day, we'll take it,
One more step to eternity.*

*Where we'll never have to say 'Goodbye',
In the painful way we do;
In our forever home beyond the sky,
To forever be with you.*

*Dedicated to the loving memory of Dean William Stone from the
perspective of his parents.*
