“ Miss Diane was my first grade teacher and was my absolute favorite! My mother, Mary Ellen Smith, begged Diane to come back to teach at Balyki after taking time off to have her two children, Rhonda and Greg. Diane decided to give it a try and Rhonda and Greg became part of the Smith family. After that, My brother Doug had the opportunity to be taught by Miss Diane. I kept in touch with Diane over the years and will be forever grateful for her gift of teaching and a beautiful person inside and out. You will be missed.

*My sincere condolences to Rhonda and Greg.

“ I was so sad to hear about Diane's passing. I loved visiting with her when we both taught at New Central in Havana. She was always friendly and always smiling. The beautiful picture posted here is exactly how she always looked at school.

“ Miss Diane was my first grade teacher, we were her first class, when we graduated from high school she came and gave each one of us a card. About 1 or 2 years ago when I was back I went out to her house and had lunch with her and had a nice long visit, she truly was a special lady. And I think she was all 5 of my nephews first grade teacher.
My condolences Rhonda and Greg.
