“ *Goodbye my wonderful, beautiful best friend for life. You were the best sister and we had so much fun together at the lake and of course we will never forget our 4 years in Mexico.*

The pain is unbearable. You are such a strong woman, I don't think you even realized it.

Hugs and Kisses my beautiful butterfly.

Your sister Susan

“ *Devon & family,*
I'm at a loss. Ur mom was my boss when she retired. When I met her we sat on the floor for hours looking through boxes for a document that she needed. We found it. On a good note. Ur mom was shorter than me. She ask me to move her car once. I got in called her immediately complaining how can u see over dash? I'm 3 inches taller I can't see over the dash. She was and always will be my favorite boss. RIP Diann. I'll see u someday.

“ I met your Mom just recently. We were purchasing the home next door. She was sooooo nice, bright and funny. The purchase did not work out but I felt that I had made a friend. She invited me into her home and we laughed and talked about how much fun we would have as neighbors and she talked about her family with joy and appreciation. When the purchase didn't work out, I called to see how she was doing. She of course was upbeat and we made plans for lunch. I'm sorry we won't get to have the time we wished for as friends. I am so grateful to have met her. My deepest sympathy at this most difficult time.

“ Deepest condolences to Di's family.

She had such a contagious laugh, the biggest heart, and the kindest soul. There was nothing she would not do for you. My husband and I worked with Diann for many years at the CTA and learned a great deal from her. One of the biggest hurdles of working with Di was the frequent laughter which constantly interrupted our work flow. She was extremely compassionate, supportive and caring when one of our mutual pals, Eileen Kosinski, passed away. I don't think I would have made it through that time if it had not been for Diann and her friendship.

The world will be a little less wonderful and terrific with the absence of Diann Noone. "Nooner" brought so much joy and happiness and richness to our life. Her passing will hurt for a very long time.

God bless you Devon, your family, your uncles and aunt. May the prayers and sweet, tender thoughts of so many surround you and bring you comfort.

With much love and sadness,

Marge and Neville Keller

“ Devin and Dave -

My heart and love are with you. Your mom was special to all who had the joy of knowing her. Her smile lit up a room. I was lucky to be considered one of her friends.

“ *Devin & Dave,*

So sorry for your loss.

Your Mom was a special lady, so joyful that she always made me smile when I saw her and she loved your children so.

Diann will be missed by many. She was a gift to all of us in this lifetime and is, I'm sure, smiling down on all of us now from heaven.

Much love,

Kathy & Ray Podzimek
