“ Dixie was a wonderful person! Always happy and smiling! She was my cousin and when she and Keith were going together, they would come to our house to visit. When I was little, she taught me how to spell the word "Mississippi"! I was so proud! Everyone who knew her will miss her!

“ *Our families have lost a wonderful Mother, Grandmother, Great Grandmother, Aunt, Neice, Cousin, and for me, a beautiful loving sister. I will always remember the meals we shared, the laughter we had, and those family moments that will be cherished forever. My beautiful sister was one of a kind and my heart is so broken now that she has left us. She was and always will be my shining star. We laughed together, we cried together and most importantly we lived those great times in our lives. Dixie may only be someone in the world, but to our family she was the world. Always in my mind and forever in my heart. Love you a bushel and a peck and a hug around the neck. Your Loving Brother, Richard*
