“ *Dee Bentley was a generous lady. Always willing to be a help. We worked together at Franklin-Cress Construction and at Kurzon Construction in the late 1960's. She often made fried egg sandwiches, brought them to work for her and I in the mornings. She knew how to get the sunshine back in my day.*

I know she is in heaven, smiling down on her family and friends, watching over all. I pray you will soon have peace with all your happy memories.

“ *Delores (or Cousin Dee as we called her) was such a uniquely special person, much loved and one who will be sorely missed. Our family has many wonderful memories of her from family get-togethers, wiener roasts, celebrations, fishing/picnic events, and her basket weaving. She had the most welcoming smile, laughing eyes, and wonderful sense of humor. Our hearts and sympathies are with Trudy and her family members. Dee will never be forgotten and will always be loved.*
