“ Dolores is one of the sweetest people I've ever met she was joyful she would dance whenever I volunteer at the lodge she was so happy all the time and she like getting her nails painted been doing a flower puzzle she said that the teddy bear that she was holding in one of the pictures was her baby and she would push it around in her walker as if it was the stroller she would carry it and put it to sleep on the couch she had a very big heart and a big smile she was one of my favorite people at the lodge.
