“ I had the absolute pleasure of getting to know “Cookie” and work along side her for several years at MCANH. She was the most tenacious woman I have ever known. She worked many times when she wasn't feeling up to it, but still showed up. She has battled cancer more than any one person should have had to! She loved her family fiercely! I am so grateful for our years together working and many years of friendship after. She will always be in my heart as a close a cherished friend. My deepest condolences to Gary and the family at this incredible loss. She will be so very missed!
